Montpelier, Vt.

Dear Bob:

The Vermont Housing and Conservation Board will be meeting on August 9th to discuss, among other things, two housing projects that involve buildings on the State Register.

The first project involves a building at 18 Forest St. and one on 5 Prospect St., both in Randolph. Minor exterior renovation work, mostly painting and scraping and replacement of rotten clapboards will be undertaken on these properties. The owner, Central Vermont Community Action Council will be in touch with you about this.

The second project involves two adjacent duplexes, one at 343-345 School St. in Bennington, the other at 347-349 School Street. Again, minor exterior rehabilitation is proposed and we have asked the applicant, the Regional Affordable Housing Coalition, to contact you.

Please let me know if you have any concerns about these projects.

Sincerely,

Polly Nichol
Project Development Director
